

CAUTG Call for Graduate Student Posters

Are you a graduate student in German Studies and want to boost your academic CV?

Would you like to share your research and connect with German Studies scholars across Canada?

Then submit a research poster to this year's virtual CAUTG conference, held from May 30 to June 2 online through the University of Alberta and in connection with the Federation for the Humanities and Social Sciences.

The posters will not be peer-reviewed and will be made available asynchronously in a CAUTG congress poster hall to allow all conference participants to read about your research project, leave comments, and chat with you about it during the breaks.

If you want to submit a poster, please email us with a preliminary title at your earliest convenience (required for upload): Belinda.Kleinhans@ttu.edu or Stephan.Jaeger@umanitoba.ca.

Poster due date for upload: May 7, 2021.
